

We kunnen dit Zonne Maan Jaar op twee manieren gebruiken. Ten eerste om Afspraken in te maken, met Week en Kleurnummer voor in je afspraakagenda. En ten tweede om je Geboortedatum in op te slaan, met je Toonnummer, Kin en Maya jaargetal. Waardoor je jouw Sterrenbeeld kan aflezen. Activeer je eeuwigheid in deze Maya Tun Uc ZonneMaanjaar en enter www.TunUc.com
